Prayer for Peace in the World

Pray for peace in the world, but also pray for peace right here at home, in our schools, our offices, our neighborhoods. Pray for peace in our families and among our friends. Pray for peace in our own hearts, because if there is ever to be peace in this world, it will only come when peace has made her home inside each one of us.

You can also access a prayer/hymn by John Rutter at this link <https://johnrutter.com/news-features/prayer-for-ukraine>

Loving God,
in the swirling maelstrom of violent conflict, we ask for your peace, your lasting peace,
a peace that turns those who seek to wage war into patient negotiators,
a peace that will not allow children to be harmed or older persons abandoned,
a peace that calms the fear of families faced with leaving their homes,
a peace that means that young men and women will not have to kill or wound,
a peace that speaks the truth and will not descend to lies or deceit.

Loving God,
your peace will become a reality as those who run from conflict are accepted and helped,
your peace will become reality as the powerful ones think twice before unleashing military might,
your peace will become reality as kindness is found amongst the war-horrors,
your peace will become reality as confrontation gives way to understanding.

We will know your peace as we listen and as we pray.

We will speak of your peace to those who have power and influence.

We will act in the spirit of your peace to give shelter and end conflict.

We pray in the name of Jesus, who knew violence but lived the hard but peaceful way.

Amen

—*David Sparks*

On the edge of war, one foot already in,
I no longer pray for peace:
I pray for miracles.
I pray that stone hearts will turn
to tenderheartedness,
and evil intentions will turn
to mercifulness,
and all the soldiers already deployed
will be snatched out of harm's way,
and the whole world will be

astounded onto its knees.
I pray that all the "God talk"
will take bones,
and stand up and shed
its cloak of faithlessness,
and walk again in its powerful truth.
I pray that the whole world might
sit down together and share
its bread and its wine.
Some say there is no hope,
but then I've always applauded the holy fools
who never seem to give up on
the scandalousness of our faith:
that we are loved by God.....
that we can truly love one another.
I no longer pray for peace:
I pray for miracles.

We desperately need help!

Our JAFFA club has been running for 21 year. For all of that time Zoe Bates was part of the group, from a 1 year old in arms, to one of our key leaders. It is great to see Zoe moving into ministry positions at her church, but this has meant that she is no longer able to help with JAFFA club. For the past few years Zoe has been leading our games activity. This leaves a major hole in our leadership team. We need some people to come in and help. Perhaps you can lead once a month, that would help (we have had one person offer that)? Perhaps you would rather do craft or teaching? Please talk to Stephanie Kennedy or Richard Moors if you think you can help in any way. It would be a shame for our 21st year to be our last.
